Here's what we do for you:

- We will **analyze your financial and legal situation** to determine the best way to handle your case.
- **Prepare and file your Bankruptcy petition** schedules/statements, and all required documents, with the bankruptcy court and **your homestead deed with the county.**
- We will **stop court cases or garnishments** your creditors have against you.
- We will **go with you to the hearing** with the bankruptcy trustee.
- We will stay as your lawyer until **your dischargeable debts are discharged.**
- At no charge, we will review your after bankruptcy credit reports and make sure the bankruptcy is right.

**** **You can change your mind, but there are no refunds.** Our fee agreement is based on progress payments.

**** If a **credit card, store or bank** claims you obtained credit by fraud and you dispute that, we charge another \$1500. If you cannot pay the \$1500, we will not be your lawyers. If you made less than six payments after the last major charges on a credit card, you can expect trouble. If a **(former) spouse, friend or business associate** files an objection, our fee is \$7500. (If you expect this, we will recommend a bankruptcy litigation law firm.)

**** We can stop a Virginia garnishment that's going on and get that money back. You won't get the money back in any hurry; when you do, we charge you one third of it.

When you get your garnishment of \$_____ back, we get \$_____ AGREED _____

**** If you get a **Warrant-In-Debt** on a debt not on your consultation forms or credit report, we charge **\$450.00** to stop it.

If you miss your bankruptcy hearing except for a medical emergency, we will charge you another \$400 if we can get it rescheduled without court approval. If your case gets dismissed for failure to appear, we charge \$600 to get the court to reinstate it. We will add a \$50 fee for each bad check you give us. You must make good on them immediately. We will give you copies of the papers in your case. Hang on to them because-copies after your discharge date will cost \$50.
