Here's what we do for you:

- We will **analyze your financial and legal situation** to determine the best way to handle your case.
- **Prepare and file your Bankruptcy petition** schedules/statements, and all required documents, with the bankruptcy court and **your homestead deed with the county.**
- We will **stop court cases or garnishments** your creditors have against you.
- We will **go with you to the hearing** with the bankruptcy trustee.
- We will stay as your lawyer until **your dischargeable debts are discharged.**
- At no charge, we will review your after bankruptcy credit reports and make sure the bankruptcy is right.

***** **You can change your mind, but there are no refunds.** Our fee agreement is based on progress payments.

*****If a **credit card, store or bank** claims you obtained credit by fraud and you dispute that, we charge another \$1500. If you cannot pay the \$1500, we will not be your lawyers. If you made less than six payments after the last major charges on a credit card, you can expect trouble. If a **(former) spouse, friend or business associate** files an objection, our fee is \$7500. (If you expect this, we will recommend a bankruptcy litigation law firm.)

*****We can stop a Virginia garnishment that's going on and get that money back. You won't get the money back in any hurry; when you do, we charge you one third of it.

When you get your garnishment of \$ _____ back, we get \$ _____ **AGREED** _____
